ENGINEERING DEPT'S '63-'64 WORK PROGRAM

Some \$600,000. will have been spent when the town engineering department completes its '63-'64 schedule.

Three major storm sewers will be installed this season. The first begins behind Grandin Shoppers Park and runs across McKenny Ave., past the Lions Park and empties into the river. This work is now underway and when operating, the sewer will drain the ravine that runs behind the Shoppers Park, across Grandin Road, up past the town nurseries and south of Ball Avenue. When completed, 1,420 lineal feet of storm sewer will have been laid. A second length will lie along Greenwich Crescent and will drain Stages 4 and 5 of Grandin Park. It will contain 2,280 lineal feet and is scheduled for completion in time for the spring run off, May 31, 1964.

The third storm sewer of the program will

be 2,083 feet long and lies along the south end of Grandin Park. This too, is scheduled for completion in May of '64. This sewer will drain the low lying areas south of Grandin Park.

Fire Hall Road

The construction of the west end of McKenny Avenue giving access to the fire hall, goes on, on schedule, but there's more there than meets the eye. Beneath the road lies a newly installed 10 inch water line running from the end of Gresham Blvd. down to Piron Street. This is an alternate line to the present one running along Ball Avenue. Before the installation of this second line, a water line break would have left all of Grandin Park 'high and dry'.

Sidewalks

If you were to take a stroll this fall and walk only on sidewalks laid this

past summer, you'd have a hefty 10 mile hike!

In Sturgeon Heights, sidewalks are in, or going in, on Swallow and Seymore Cres Salisbury Ave., Sorrell, Sycamore, Sonora and Salina Crescents. Boulevards are being filled with black earth and in some areas, even seeding is being done.

In Grandin Park, sidewalks for Gordon Cres., South Grandin Rd., Gillian, Gretna Place, Gainstborough, Gladstone, Grantham Place, Geneva, Greenwich and Grenfell Blvd. If you've noticed splotches of green paint on the new sidewalks or curbs, it's not the hapless swat of a painter's brush. Mr. Andre Gate, of the Parks Dept. will be along with an excavating apparatus, and when he comes to a 'splotch', remove clay 30 inches deep and replace it with black loam. Then, come spring - 'A tree grows in St. Albert'. Approximately 3,000 trees will be planted in this project. An additional 2,000 trees will be planted along #2 highway. The 'highway' trees were a gift of the Provincial Government as seedlings. They have been in the nurseries for 3 years and will be ready to transplant next spring.

The streets being sidewalked this year that are not yet paved are due for pavement before the season ends.

One road of particular interest to Sturgeon Heights, is Edmonton Road. It links the south end of Sunset Blvd. with #2 highway, and is the most used route from Sturgeon Heights to Edmonton. This road is now under construction.

The Department's work is progressing well and weather permitting, estimated completion dates will be realized. Mr. H. J. Bredin, Town Engineer, points out that they're working on a very tight schedule and a lot of good weather needs to be in store for St. Albert.

ALTAR SOCIETY

The Ladies of the Altar Society have recently been taking part in many activities. On July 16th, they served a banquet to the Montreal Boys Choir. This group of approximately 35 boys were touring Western Canada giving concerts in various cities and towns. They spent two days here amongst us.

On August 5th, the Ladies entered a float in the Civic Day Parade and were very pleased to win the First Prize. The float was decorated by Mrs. Rose Fraser and her committee. The theme was the Town's 102nd birthday which was represented by a big birthday cake, topped with candles and the statue of St. Albert. Young boys and girls, who had recently received their First Communion, were happily sitting around the giant cake. During the rest of the day, some Ladies donated their time helping the Knights of Columbus with their concession booth. The annual Pilgrimage which was held on Sunday, August 18th at the Shrine of Our Lady of Lourdes was well attended by people of the Parish and from out of town. The Ladies of the Altar Society were busy serving a delicious breakfast and lunch in the Parish Hall, for many people came to spend the whole day here in Prayer.

We wish to thank all the Ladies who donated their time to help make these occasions a success.

STURGEON HEALTH UNIT

There were 2 cases of Measles, 1 case of Chicken Pox, 1 case of Mumps, and 1 case of Rubella reported in the Sturgeon Health Unit area in the previous week. There were 21 births (1 set of twins) and 2 deaths reported during the previous week.

SPECIAL ARTICLE.

The beginning of a new school year is just around the corner and to mothers of grade 1 pupils a letter will be sent explaining the services of the Sturgeon Health Unit in the schools.

Inoculations and booster will be given at school, but if your child has had no immunization or if you know that he is due for a booster dose and you would prefer to have this done before he starts school, you may bring him to a regular clinic at the Health Unit office.

It is very important that your child should be protected by immunization, therefore we request that you read and sign the consent card which will be sent to you from the school and return it as soon as possible so that your child will not miss these protective inoculations when the nurse is in the school.

St. Albert Clinics: Every Thursday from 8:30 a.m. to 12:00 noon and 1:00 p.m. to 6:00 p.m.

LAST WEEK'S GUESS CONTEST

Last week's Guess Contest was a real
"toughie". There was no correct answer!
Guesses as "people at a fair", "people at
a midway", "at a sports game", "at a gra-
ndstand", "tops of trees", etc., etc.,
was quite a variety. The correct answer
..... A man, watching through his
forefinger and thumb, the crowd at a
grandstand!..... However, don't be
discouraged. Try this week's Guess Con-
test. The prize will now be \$ 10.00, so

UNITED CHURCH

At the morning service on Sunday, August 18, a Baptismal Service was held at St. Albert United Church. Baptised were Mark Lorne, son of Mr. & Mrs. Gordon W. Akins; Richard David, son of Mr. & Mrs. William W. Webber; Gina Frances, daughter of Mr. & Mrs. Arthur H. Ralphs; and Andrea Jean, daughter of Mr. & Mrs.

Kenneth P. Riddell; all of St. Albert. Rev. Dr. Edward R. Schwarz conducted the services. Mrs. E.G. Hole was the organist.

Dr. Schwarz preached from the texts Luke 9:46-48, 18:15-17 on the theme "The child in the Christian Community." Dr. Schwarz pointed out that most people accept without question the fact that care and teaching of children result in happier and better children but that few ever consider the effect that caring for and teaching children could have upon adults. It was pointed out that when the disciples quibbled among themselves as to which of them was greatest, Jesus set a child among them and told them that their concern should not be for greatness but for service because that is how greatness is achieved and that children provided one of the greatest areas for service. Again, when the disciples sought to turn aside the children from bothering Jesus, Jesus called the children to Him and taught the disciples never to ignore children because "of such is the Kingdom of Heaven." Dr. Schwarz suggested that the honesty and candor, the seeking for knowledge and desire to learn, and the trustfulness and sense of dependence of a child before he becomes "worldly wise" are the qualities of character that one must have before they are suited for

life "in the Kingdom", before they can live in joy under the rule of God. Thus children provide an area for Christian Service and the example of certain qualities essential in the Christian life for adults.

It was announced that the preacher on 25 August at the 9.30 a.m. Service will be Rev. Dr. D.J.C. Elson, B.A. (Alberta), M.A. (Columbia), D.D. (St. Andrews), Dean and Professor of New Testament Language and Literature at St. Stephens College. Everyone is welcome to come and share the message that Dr. Elson will bring.
